

13" (diagonal) 4-Head TV/VCR Combo

ENERGY STAR

Features	Benefits
4-Head Design with Auto Head Cleaning	Assures visual special effects modes have significantly reduced jitter and break-up. Provides optimized performance for recording and playback in SP speed.
Quality Slow Motion Video and Special Effects	Optimizes playback performance during special effects such as visual pause, visual scan, visual slow motion, and frame advance.
Front and Rear Audio/Video Jacks with Front Headphone Jack	Provide convenient connection for additional VCR, camcorder, video game, digital camera, or other video source. Headphone jack allows private listening.
Programmable Timer System and Remote Control with Sleep Timer Button	Convenient scheduling system can be used as a sleep timer to automatically shut off after you drift off to sleep or as a timer to wake up to a favoritie morning show.
Auto Tracking	Allows playing of most VHS tapes without the need for manual tracking adjustments.
Auto Power On, Auto Play, Auto Rewind, Auto Shutoff, Auto Eject	Automatic controls make using the VCR quite simple and easy.
AC/DC Operation (12-Volt DC) with DC Cord Included	Operate at home with standard AC or in the car with the included DC cord.
